

## Environmental Policy Statement

Cheshire Waste Skip Hire Ltd has a duty to ensure a good environmental performance in all of its business operations and to provide the necessary organisation, commitment and training to fulfil this obligation.

We are committed to the reuse, recovery and recycling the majority of our clients' waste to their benefit and to that of the environment. In doing so we offer the best management and handling service based on regional availability on a wide variety of waste streams.

In carrying out its activities Cheshire Waste Skip Hire Ltd is committed to improving the environmental performance of the company through managing the significant aspects of its service.

Cheshire Waste Skip Hire Ltd is committed to:

- Incorporating environmental responsibility into our business operations.
- Providing a wide range of different waste receptacles to our customers, delivered and collected using well maintained and reliable vehicles.
- Providing a comprehensive and professional waste management service to our customers.
- Applying the waste hierarchy to all waste collect and processed at our site.
- Continual improvement of our employees' education on environmental issues.
- Continually improving on its environmental performance and the prevention of pollution by an annual review of its environmental objectives and targets.
- Complying with applicable environmental legislation.
- Achieving compliance with the requirements of all Environmental Permits associated with our operation.
- Review the environmental policy, compliance and performance, developing specific action plans as required.

Cheshire Waste Skip Hire Ltd will:

- Communicate the policy internally.
- Make the policy available to all interested parties including the public.
- Review the policy on a regular basis and amend as required.

To reduce its significant environmental aspects, Cheshire Waste Skip Hire Ltd shall seek to:

- At best eliminate waste at source or recycle waste materials.
- Reduce and minimise the consumption of energy.
- Reduce and minimise the use of natural resources.
- Encourage the use of environmentally sound products and services from suppliers.

All Cheshire Waste Skip Hire Ltd employers and employees have the implementation of this policy by participating and contributing to its success through their actions.
